- **Day-1 (07-08-2023) Session I**

- **Topic: Orientation Day**

An 'Orientation Programme' was organized to welcome the first year students who were admitted to the Engineering program at the institute premises on 07/08/2023 where students and parents had been welcomed by the Management and Principal of AMRIT College of Engineering. The objective of the program was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

The day was marked with the presence of Dr. D. D. Shinde, Principal, AMRIT, and Prof. Govind Chavan, Vice-Principal, AMRIT. Other noted presence included Dr. Sachin Munde, HOD of Department of Engineering Sciences and Humanities, Dr. Gaurav Sonawane, HOD of Mechanical Engineering department, AMRIT, Prof. Sumit Kumar, HOD of Electronics and Tele-Communication Engineering department, Prof. Pravin Thorat, HOD of Civil Engineering Department, Prof. Yogeshwari Hardas, HOD of Computer Engineering department, Prof. Vaishali Moranekar, COE of AMRIT.

Mr. Sarvesh Pal and Miss. Aniya Thakur welcomed the distinguished guest, the management, students, parents and faculty to Atma Malik Institute of Technology and Research and introduced the guests to the audience. They thanked them for their presence and invited Dr. Sachin Munde to speak.

Dr. Sachin Munde welcomed the First Year Engineering students and shared his experiences. He urged the students to keep up with the changing trends in engineering and take their studies into utmost importance. He shared planning of this academic year.

Prof. Govind Chavan, as a Vice-principal of Atma Malik Institute of Technology and Research (AMRIT), shared his experiences and spoke briefly about the fastly changing technologies in the world. He also shared the positive thought with the students that the brightest amongst the present generation will take the ambitions of the country forward in the coming years. He applauded the efforts of the AMRIT in facilitating the scientific needs and urges of the young minds that culminated in the Student's Project. He lauded the work of the faculty and the students in taking the project forward enthusiastically and hoped that such futuristic vision prevails.

Dr. D. D. Shinde, Principal of Atma Malik Institute of Technology and Research and Educational Director of Vishwatmak Jangli Maharaaj Ashram Trust spoke briefly regarding the current scenario of engineering education in the country. He made the students aware of the quality of engineering and engineering professionals in the country and how important it is to constantly work on becoming the best in their area of engineering. He gave detailed guidance about the mandatory components and rules and regulation of organization. He explained educational policy of Atma Malik Education Complex.

Dr. Sachin Munde, HOD, Department of Engineering Sciences and Humanities thanked the guests for their kind and valuable words and wished the First Year Students a hearty welcome to the college.

Day-1 (07-08-2023) Session II

- **Topic:** Introduction of academic and Examination pattern of FE Engineering
- **Name of the Speaker: Prof. Vaishali Morankar**

As part of the Induction Programme for the First Year Students 2023-24, Prof. Vaishali Morankar,, provided them with a detailed presentation on First Year Curriculum Structure

Prof. Morankar welcomed the students formally again and emphasised on the importance of understanding their courses, the credits offered for each of them, the assessment details, the course articulation matrix, the CO's, PO's and the PSO's etc. The students were brought to an understanding through a semi-formal Q&A session and each engineering batch was offered an in-depth analysis of the upcoming two semesters. Prof. Rajendar listed out each course for the first and second semesters and explained the importance each of those courses have on the larger aspect of an engineering programme.

Also, Prof. Morankar explained the different levels of the Bloom's Taxonomy to the students with the intention of making them understand the levels of learning they undergo as per the design of the curriculum. He emphasized the effects of Outcome Based Education and urged the students to realize the Mission and Vision of the institution to understand where it stands and how further it can go. He also spoke briefly about the Thinking-Learning Process and urged the students to understand how important it is to be focused and pro-active.

Feedback Analysis-

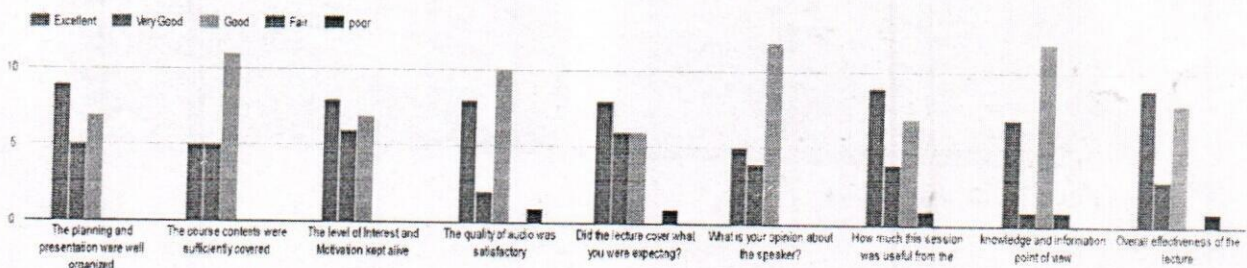

- **Day-3 (09-08-2023) Session III**
- **Topic: Motivational speech Session-II (Goal Setting)**
- **Name of the Speaker: Prof. Ulhas Patil**

Goal setting skills are essential for young people. They empower students to strive for self-improvement and have control over their own lives. This skill includes steps that will help students achieve short and long term goals. By reaching these goals, students gain confidence and are able to identify, adopt, and maintain healthy behaviors that will help them be successful in the future.

The goal-setting model for grades 6-8 involves three steps. The first is to help students identify a goal. The goal should be exact, very clearly defined, and have some way that it can be measured. The second step is to create and design an action plan for accomplishing the goal. This includes breaking their goal up into smaller steps and identifying what resources students need in order to help them reach their goal. The third step is to reflect upon if their goal was met or not. Students may either reward themselves for accomplishing their goal, or they can make changes and try their goal again. This is a life-long healthy skill and if teachers provide opportunities for practice then students will gain mastery of goal setting.

Goal Setting-I

- **Day-3 (09-08-2023) Session II**
- **Topic: Session on Universal Human Values and Professional Ethics**
- **Name of the Speaker: Prof. Pravin Torat**

Over the past five years, meeting the challenges of life skills on day to day life through constantly changing environment, has affected worldwide economics. When matched with the transformation in technology education, the workplace and home life are affected. Students aspire to gain new skills to deal stress and frustration. Today's students have many new careers over the period of their lives. With associated burdens or pressure they need flexibility to meet and survive with the change in modern life. In India, many students work hard to get decent grades. But yet struggle to gain employment. Apart from their syllabus, the students should learn the ability to self-manage, solve problems and understand the business environment. They should work as a team member with time and people management. They need to be alert, adapt to different roles and flexible in working environments. With this pressure to cope, it is vital that students are taught to manage their lives with empathy – human values need to be inculcated into their very being.

- **Day-5 (11-08-2023) Session II**
- **Topic: Training and Placement Session**
- **Name of the Speaker: Prof. Deepak Baviskar**

As part of Induction program for first year students 2023-24, the department of Engineering Sciences and Humanities organized a talk on Placement Scenario by Prof. Deepak Baviskar from Atma Malik Institute of Technology and Research.

Prof. Deepak Baviskar discussed in detail about the job prospects, future of engineering, and the expected outcome after the four years. He inspired first year students to focus on people skill, enthusiasm, communication skill, logical reasoning and analytical ability, learnability, decision making, consistency and sound base in technical skills.

He stated that students must learn to develop their technical competency and vitality dynamics in order to fulfill the demand of the market. He ended his sessions by suggesting few books to students to read which may change their life.

He also discussed the selection process of the placement and gave some ideas to crack those steps. And he also introduce the companies which are tie up with college.

REPORT ON GARBA UTSAV
CELEBRATION HELD ON 23RD OCTOBER,
2023

Navratri is a Hindu festival celebrated in the autumn every year. It is observed for various reasons and celebrated differently in various parts of the Indian subcontinent. On this occasion, Navratri and dussehra Celebration organized Garba Utsav on 23rd October 2023 between 3pm to 5pm which was coordinated by MESA coordinators of Degree. All the Students, Faculty and Staff Members of AMRIT were invited to attend the event.

The event was well attended by all the enthusiastic students, faculty and staff members in traditional grooming. MESA Committee Students coordinated the activities to make the event successful.

All of them celebrated the day with joy and cheer. It was a colourful event with teachers joining the Students enthusiastically in their dance. More than 150 Students actively participated.

ACAD-DI-59	One Page Activity Report	Academic Year: 2023-24
Rev : 00		Semester: ODD
Date: 11-7-2022		

- **Faculty Name** – Prof. Rupali S. Gaikwad
- **Date** – 23rd October 2023
- **Planned Activity** –Garba Celebration
- **Permission from Authorities** – **Dr. D. D. Shinde (Principal AMRIT)**
- **Implementation Details** –. The dance symbolizes that God, represented in feminine form in this case, is the only thing that remains unchanging in a constantly changing universe (jagat). The Garbha Deep has another symbolic interpretation. The vessel itself is a symbol of the body, within whom Divinity (in the form of the Goddess) resides.
- **Issues** – No
- **Conclusion** – Garba dances celebrate fertility, honour womanhood, and pay respect to any of an array of mother goddesses. Garba is a dance form native to the west Indian state of Gujarat, performed in October to honour the Hindu Deity of Divinity, Goddess Durga. Though Garba is mainly an event for Navaratri celebrations, this joyful folk dance is performed on almost every special occasion in Gujarat as a sacred tradition.

GARBA QUEEN - Snehal Girish Dengane (Comp)

The positivity and energy exuberating out of the colorful costumes combined with the enthusiasm of dancing to the Garba folk songs made the entire day extremely successful and fruitful. The event became an excellent example of celebration of tradition with joy and fervor at its fullest along with the discipline of students. The event concluded on time on strict instruction by Principal Sir. Stringent frisking was also conducted to ensure safety inside the ground.

This was a day of bonding, where the gathering, the celebration and the dance etched a unique combination signifying the diversity of Indian culture. This is something that AMRIT values immensely the diversity of perspectives that exist in local and national communities. It is the celebration of the festivals of all regions and religions that in still in our children the culture of open-mindedness.

Joint efforts of all Members of Administration Team, Faculties, Staff of AMRIT and a group of Students were involved for smooth coordination of activities and made the event Successful.

“Teachers can change lives with just the right mix of chalk and challenges.”

Teacher's Day was celebrated with zeal and zest on September 5, 2018. There was an unusual excitement in the college atmosphere which was quite contagious.

The students of first year degree arranged the programme for all engineering staff. The day was marked with the presence of Dr. D. D. Shinde, Principal, AMRIT, and Prof. Govind Chavan, Vice-Principal, AMRIT. Other noted presence included Dr. Sachin Munde, HOD of Department of Engineering Sciences and Humanities, Dr. Gaurav Sonawane, HOD of Mechanical Engineering department, AMRIT, Prof. Sumit Kumar, HOD of Electronics and Tele-Communication Engineering department, Prof. Shailesh Pagar, HOD of Civil Engineering Department, Prof. Yogeshwari Hardas, HOD of Computer Engineering department. First year students welcomed the distinguished guest, the management, students and faculty to Atma Malik Institute of Technology and Research and introduced the guests to the audience.

The Principal, Dr. D.D. Shinde, addressing the entire college, urged students to maintain the bequest of respecting teachers and lauded the entire staff for their exemplary contribution to the college's phenomenal success. The Principal appreciated the sincerest efforts of the teachers in playing a catalytic role in the holistic development of every student.

There was a special celebration for teachers organised by First year students, which included dances and skit to recall the bygone days of teachers as a student. The celebration also had a few games conducted for teachers like
