7.2 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Best Practice –I

Title of the Practice- Promoting Tribal & Economically Weaker student's Education

AMRIT is situated at Mohili-Aghai village in Shahapur surrounded by utmost rural & adivasi area. Institute provides an inclusive technical education so that a deserving student should not be denied an opportunity for technical education solely on socio economic constraints.

Objectives of the Practice

- To offer high quality education to needy students by providing financial support.
- To narrow the educational gap.
- Improve the standard of living for rural people.

The Practice

1. **Fee concession-** In AMRIT based on student's financial background and academic record, fees concessions are being provided to selected students ensuring to get quality education for their future growth thus strengthening the Nations' new generation.
2. AMRIT has provided **Rs. 1, 83,116** /-financial supports to total **11** students in year 2023-24.
3. **Hostel Concession-**
 - At AMRIT Concession in accommodation & food facility is provided to tribal students. Thus catering a comfortable & cozy lifestyle to tribal students for acquiring the knowledge.
 - Along with this they are given free facilities like **hot water system**, on campus **emergency medical facility**, **security system**, **rectors**. Personal counseling also provided.

Best Practice –II

1. Title of the Practice

Mentoring System- A step towards multidimensional development of students

Mentoring program provides personalized support to students and aids in professional socialization. It serves as a platform to be student centric and ensures the development of students.

The Practice

1. Mentoring session is conducted monthly on regular basis. This session is compulsory for every student to attend.
2. A group of 20-25 students are allocated to each faculty as a mentee.
3. Mentor has to keep the details of mentees performance in terms of academics like Internal Assessments, End semester exam and attendance records. The mentor also keeps the track of mentees personal development such as co-curricular & extra-curricular activities, discipline and career related issues.
4. The issues being discussed in mentor –mentee meet are academic, attendance, career and general.
5. The mode of communication between mentor and mentee can be mainly in person, phone calls or Google meet.
6. Practice of the mentoring system is evaluated by the Head of the department and Principal by monthly so as to ensure quality and efficiency in practice.
7. Along with mentoring special counseling is also provided to students regularly by students counselor.
