Senior RF engineer, Reecomps.pvt.ltd,

Mumbai

TESTIMONIALS

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

VOGCE is really giving an amazing platform for those who wants to start strong career path in their lives. I'm really blessed to have faculties who are very much caring, disciplined and serious about setting road maps for all their students. For me it was really joyful journey with VOGCE. We got benefited with proper career counseling, industrial visits, social activities, different projects, and so many nourishing activities. I'm thankful to all trustees, College management & faculties for contributing in life of many students. It's one of the best college I have seen ever. Huge campus, pollution free environment, surrounded with beautiful nature. I would like to recommend this college to everyone as entry gate for successful life.

Thanks!

Sanket Ravindra Wagh (2018 Batch)

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

"My four years at VOGCE have been excellent and a memory to cherish for a lifetime. It was full of learning and grooming oneself. It gave me an opportunity to meet different kinds of people and learned many things. Overall, it was a great experience and lifetime memory. I am thankful to all the faculties of the EXTC department for being so helpful, I still remember days in the hostel when we could literally knock on our professor's doors anytime in the day or night for academic help.

Currently I am working as an R & D engineer for a medical devices company, although I started my career in a MNC which was into the service industry, Now I choose a startup to learn.

With new technologies such as 5G and increasing number of smart/connected devices used in automobile, Medical devices, consumer electronics and many other sectors EXTC as an engineering branch gives you very wide scope in the industry.

My advice to the students is to choose and focus on one of the sectors of your interest while you are in your academics and learn deeper about its existing uses and emerging trends with the help of your professors and from external resources available, this will really help you to grow fast and make your career of your choice"

Rajat Pandey (2015 Batch)
(Electronics and Telecommunication)
R & D Engineer – Medical Device Company

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

VOGCE is a place where you can get the best in class education and teachers who care about your career just like your parents. In the final year, you'll realize that your teachers are working harder than you for getting you placed in a top-notch company. The college arranges many seminars of industry experts who can guide you in this rapidly changing world. I want to thank the college and my teachers for their constant mentoring and support.

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

I, Yegesh R. Bhagat currently working as a Junior project Engineer at MEMRIDA Flyover & Metro Line 2B work in BKC, Mumbai. A better human being, a better Civil engineer and dream to achieve something big in all, I hoped for when I joined "VOGCE college". I am delighted to say that the faculties and the staff has helped me to achieve these dreams. The campus of VOGCE surrounded by beautiful greenery & Calm place for Meditations. It was my great luck and fortune to be the part of VOGCE College, where I can grow. My four years at VOGCE have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion to entire faculty members of Civil Department. It's their efforts that make me count myself into better Professionals.

TESTIMONIAL

My life at VOGCE made me stronger and took me a step ahead for being an independent. I am thankful to all the teachers who supported us and corrected us throughout our bachelors. I loved the infrastructure of VOGCE. The events that I took part helped me to grow my confidence level. I would like to specially thank the placement cell for guiding me and providing me a good platform (company) for my career.

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

After graduating from VOGCE in 2012, I have had tremendous job openings with companies. Thanks to a highly qualified faculty and staff who have provided me with the knowledge about the world and work that I needed and a professional that helped me get an idea for my career path. I have been very fortunate to have a placement cell that is very professional and provides a lot of support. I have been able to find a job that I love and am proud to say that I am a graduate of VOGCE. I would like to thank the placement cell for guiding me and providing me a good platform (company) for my career.

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

Having spent the last four years in this esteemed institution, I have witnessed a tremendous change in my life may it be on the academic front or even on a personal level. The campus, surrounded by beautiful greenery provides an ideal platform for growth and improvement leading to the formation of bright young individuals determined to make an impact in the coming future. The placement cell of the college also works tirelessly to provide the students with numerous opportunities in the industry that allows them to step into the professional world seamlessly. In a short span of time, the college has already produced exceptional results and continues to improve the quality of education it provides with each passing year.

Sachin Shukla (2013 Batch)

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

It was my fortune to be graduated from Vishwatmak Om Gurudev College of Engineering. I would encourage students to study hard and inform themselves as much as possible about the several academic opportunities the institution offers. Our college takes the educational mission to heart. Here you will find people that will support you and guide you always. They always help me when I have questions. The professors are very helpful, they always ready to help us. My Department has given many opportunities like visit to different industries and arranged many Value addition programmes and Expert lectures to help us explore the field of Electronics and Telecommunication. In addition, many extra-curricular activities and International conference have been arranged to develop leadership skill amongst the students.

Manoj Mahesh (2013 Batch)

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

I feel proud to be part of VOGCE. This college gave me the best teachers of my life. Professors are here to mould you and shape your future. They will teach you how to handle failure, they are ensuring your capacities and makes you capable to achieve your goals. They have me that, "the most difficult time in your life teaches you the most important lessons, which help to encourage you to move on towards achieving your goals". I want to address here that, I am still getting support from my faculty at every stage in my personal as well as in professional life whenever I require. They are truly like our Mentor. Currently, I'm working as DDCX Technologist at Masbyte Technology, Coimbatore (Tamilnadu) as working on Military defense, Telecom, Manufacturing industrial project would like to give credit for my growth to my Teachers.

Akshay Kulkarni (1917 Batch)

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

This college provided me a Bachelor of Engineering in Electronics and Telecommunication. It gave me a platform to try and gain experience. Vishwatmak Om Gurudev College of Engineering has been an incredible experience and an even greater opportunity for me.

This course exceptionally broadened my understanding and influenced my professional progress. This is the only college that combines the highest education with spiritual enlightenment. Professors here are professionals themselves. Skills and receiving their help and understanding engineering concepts from them makes each student's engineering journey much easier and more enjoyable.

With so many universities and colleges, the standout is always when lecturing, and this stands out for me. The faculty here is able to make you think and create where students from other colleges are just going, making it more demanding. This college provided me with some of the best moments of my life, and I would only recommend one thing to any engineering student: "to get up and never miss out on a chance to learn".

Abhishek Khurdekar (1917 Batch)
Hardware Security Engineer
Southwest Airlines, Dallas, Texas

Address: At Mahuli, post Agal, Tal. Shajapur, Dist. Dhule, via Kalyan Maharashtra 422681

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

Being at VOGCE has been a wonderful experience. Here I have learnt that success is a journey, not the destination and VOGCE has been consistent in making this journey mesmerizing. Faculty members are very supportive and take great initiative to inculcate knowledge and skills in students.

Along with academics, a lot of different activities on campus allowed me to polish my talents and have an overall development. I have learnt not just to become a good engineer but a good person. The College provides really good placement opportunities combined with many internship programs, seminars by experts and other placement programs.

Vishal Patil (1917 Batch)
Technical Engineer (Software Dept)
Mahasana Bunkers (Software Pvt. Ltd)
(Automated Electronics & Telecommunication)

Address: At Mahuli, post Agal, Tal. Shajapur, Dist. Dhule, via Kalyan Maharashtra 422681

Vishwatmak Om Gurudev College of Engineering
TESTIMONIAL

It was my immense luck and honor to be the part of VOGCE. The entire faculty and department leaves no stone unturned to shape one's future. My three years at VOGCE have been a wonderful experience of learning with public exposure to outside.

I have respect, love and devotion for entire faculty members and department. It's their efforts that make me to count myself as a better professional. Currently I am working as UI/UX DESIGNER for a Mobile National Company, Accorphone.

Among study tips for college students, time management is one of the most essential. Try to study a little bit each day, rather than saving it all for the week before the exam. This will help you wind up exhausted and remember what you learned. This will really help you to make your own success.

Meghana Suresh (1917 Batch)
Information Technology
UI/UX Designer - Accorphone

Address: At Mahuli, post Agal, Tal. Shajapur, Dist. Dhule, via Kalyan Maharashtra 422681
